SPARKS

Serving Pre & Post natal women & families
with Awareness, Relief, Knowledge and Support

invites you to join us at our

Grand Opening Reception

Sunday, January 18th

5:30 PM to 8:00 PM

Synergy First Building

1575 East 19th Street

Brooklyn NY

The mission of SPARKS is to provide comprehensive, integrated services to meet the educational, psychosocial, psychiatric needs of women with Pre/Postnatal depression and their families. Custom tailored service meet the specific needs of the family unit, with sensitivity to each individual's unique experience of Pre/Postnatal depression and respect for socioeconomic, cultural, racial and gender issues.

SPARKS supports every individual's right to self-determination, to complete information and to active participation in all health care decisions. Our practice guidelines provide for medical consultation, collaboration and referral, and linkages with health and human services.

To place your reservation,

Please contact The Friedlander Group at; 718-436-5555 Ext. 201

or e-mail to; SPARKS@FriedlanderGroupPR.com
