BBQ Benefit Raises Money For Ohel

Each summer for the last nine years, entertainer and singer Shloime Dachs and his wife Libby have sponsored a BBQ and Chinese auction on behalf of the children of Ohel-Bais Ezra. It started out as a small gathering in their home and has grown into a community event held at the Agudah shul on Avenue L.

This year's event was attended by members of the board of directors, local residents, and Ohel consumers. Many corporate sponsors have given their support to help bring more money to the programs of Ohel. One of the main beneficiaries of the BBQ is the Ohel summer program and camp that allows needy children to enjoy a summer experience.

The BBQ included parve and fleishig grill, salads and desserts and

an a capella choir called "Shira."

Shloime made a *siyum* on *Mesechtas Makkos* and spoke of the great benefit of *teffila*. The *siyum* included the part of the Gemara that tells of Rabbi Akiva's strong faith and belief that

the need for the Nine Days would soon end and that we would have the *Beis Hamikdash* again speedily in our days.

Borough President Salutes HASC And Pomegranate

It was a special day at Pomegranate when the Brooklyn Borough President Marty Markowitz came for a visit.

His purpose was to recognize the partnership of Pomegranate, a state-of-the-art food emporium, and HASC Center,

an agency that provides a full range of services to people with developmental disabilities.

Markowitz delivered a proclamation honoring the store for providing employment for special needs individuals. In conjunction with HASC Center's Supported Employment Program, Pomegranate has given Yitzchak, one of its program participants, a unique opportunity to realize his dream, a dream like so many others have, to gain employment and earn a living. Yitzchok, who was present at the reading of this proclamation, shared his feelings of happiness with the Borough president.

Avraham Banda, proprietor of Pomegranate, expressed his satisfaction with this exceptional program and specifically with his dedicated employee. Representing HASC Center were Abe Eisner, president, board of directors; Shmiel Kahn, executive director; Dr. Chaim Waksak, clinical director; Avi Sacks, associate executive director; Suri England, director of day services; Yisroel Rosenthal, supervisor, supported employment and Motti Rosenthal, Yitzchok's residence manager.

Goldie Foxman, Yitzchok's service coordinator, said that "thanks to Pomegranate and HASC Center, Yitzchok has clearly advanced and become a productive member of society."

HASC Center's supported employment program, funded by the NYS Office of People with Developmental Disabilities
