

THE CITY OF NEW YORK  
OFFICE OF THE MAYOR  
NEW YORK, NY 10007

April 13, 2011

Dear Friends:

It is a great pleasure to welcome everyone as Jack Jaffa and Associates celebrates the opening of its brand new headquarters.

New York City has emerged from the national recession faster than others, creating jobs and building the new homes and new schools that are so vital to our quality of life. As our economy grows, public safety remains everyone's top priority, and thanks to dedicated professionals like those at Jack Jaffa and Associates, New York's builders and property owners are keeping our City a great place in which to live and raise a family.

Today's ribbon-cutting presents a terrific opportunity to recognize all that our building and real estate industries mean to our City's economic competitiveness and growth. On behalf of all New Yorkers, best wishes for an enjoyable ceremony and continued success.

Sincerely,

A handwritten signature in black ink that reads "Michael R. Bloomberg". The signature is fluid and cursive, with a long, sweeping tail on the final letter.
